WILLIAM M. SCHMALFELDT,

Plaintiff,

vs.

PATRICK G. GRADY, et al,

Defendants.

Civil Action No. 1:15-cv-01241 RDB

**REQUEST FOR RULING
ON NON-OPPOSED MOTION
[ECF 17]**

COMES NOW David Edgren, *pro per*, a named but not yet served defendant in this case, having appeared specially and without conceding or waiving any right to include, without limit, any right of jurisdiction, venue, due process, or service of process, and request a ruling at the earliest convenience of the court on my motion to strike Plaintiff's amended complaint appearing at ECF 13 and to rescind the summonses issued thereby. Such action by the court is asserted to be appropriate, as the 17 day time for response including additional time for my motion having been mailed to Plaintiff ran on July 30, 2015, without Plaintiff having filed a response or otherwise having come forward and opposed the motion. The motion is thus unopposed and otherwise ripe for ruling. Based on the Plaintiff's failure to oppose the motion, the court is urged to grant it forthwith using the proposed order filed with this request.

DATED at Wasilla, Alaska this 31st day of July, 2015.

A handwritten signature in black ink, appearing to read "D. R. Edgren", with a horizontal line extending from the end of the signature.
